Mr. West!!!  
You're safe!

Thank goodness you're safe, Mr. Kestrel.

I got worried, so I came down immediately to look for you.

If something had happened to my guest...

Excuse me, but Kestrel, the boy who was with me, fell around here too.

Can you help me look for him?

Around here? Did you fall with him?

No, but he should have landed in this area.

It might be better  
for us to retraced our  
steps and find him.

Otherwise  
we could lose  
our way forever  
around here.

...Hikaru.  
Don't wandering  
around aimlessly.

The labyrinth's  
structure is changing  
at an unusually fast  
rate.

It's dangerous  
down here, so let's  
head up.

Now, take  
my hand...

You must never hold  
hands with one whom  
you suspect to be  
a contractor.

Is that okay?

Hiram? Why am I suddenly reminded of what he said?

Is it because of that dragon knight over there?

I don't think Mr. West is a contractor.  
It should be fine, right?

Mr. Ruma?

He isn't a contractor...

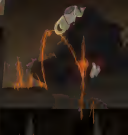

Where is  
Lord Kuroki?

The floor collapsed  
under us. He should  
be around here.

I was looking  
for someone  
to help me  
find him...

RUMBLE

we've run into  
what we've been  
planning, most.

Diehard!

Devon is a human  
using the dragon  
plugs's power.

AS YOU KNOW,  
LADY SEANA, THERE IS AN  
INDEFEATIBLE BOND BETWEEN  
THE DRAGON AND HIS RYENAS.

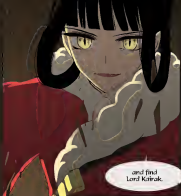

IF YOU STILL  
CANNOT FIND HIM AFTER  
THE GINI-CORE BLOCKING HIS  
POWERS HAS BEEN  
DESTROYED,

THERE  
MUST BE A  
DANGEROUS  
ROAD AHEAD!

I'll take care of  
everything here.  
You needn't stay...

and find  
Lord Kairak.
